Awarded second place

in the 2014 AJN Book of the Year Awards in the

Medical-Surgical Nursing category!

Thinking. Doing. Caring.

Leslie S. Treas and Judith Wilkinson, the team that brings you the two-volume approach featured in **Fundamentals of Nursing**, integrate all of the content and features that are its hallmarks into one carefully designed and written volume that teaches you to “think like nurse” from the very first day.

In every chapter, you'll first explore the theoretical knowledge behind the concepts, principles, and rationales. Then, you'll study the practical knowledge involved in the processes; and finally, you'll learn the skills and procedures

Designed for all learning styles, the text, electronic study guide, and a wealth of interactive resources work together to create a multimedia-rich learning experience for traditional and non-traditional students.

Bonus!

Electronic Study Guide

This interactive, knowledge-building tool features a wealth of learning activities and resources. It's like having a 500-page workbook at your fingertips.
