Charlemagne By Roger Collins

This is a new account of the most important period in the history of Europe between the end of the Roman Empire and the Italian Renaissance. The reign of Charlemagne (768-814) saw the unification of many areas of France, Italy and Germany, Spain and central Europe, as well as the revival of the title 'Emperor in the West.' At the same time, the cultural and artistic revival that took place in western Europe under Charlemagne's rule both led to the preservation of much of the intellectual heritage of Antiquity and inspired succeeding generations of scholars and artists up to the time of the Renaissance. While the empire that Charlemagne created proved short-lived, the title 'Holy Roman Emperor' remained in continuous use until 1806, and his achievements have inspired a succession of both military conquerors and would-be unifiers of Europe up to the present day. Numerous ideas and institutions were revived or created in this period which would serve to shape the future development of western Europe throughout the Middle Ages and beyond.

Editorial Review

Review

'...a fresh, economically-documented and clear review of a forty-five year reign that, 1200 years on, still invites attention from anyone interested in the history of Europe and its neighbours.' - S.A. Bullough *Ecclesiastical History* '...this lively, vivid portrait of an extraordinary monarch and his achievements...A must for any students of the emerging Europe.' - M.W. Smith, *British-German Review*

Users Review

From reader reviews:

Vincent Erickson:

Do you have favorite book? In case you have, what is your favorite's book? Reserve is very important thing for us to be aware of everything in the world. Each e-book has different aim or even goal; it means that reserve has different type. Some people truly feel enjoy to spend their time for you to read a book. They may be reading whatever they get because their hobby is reading a book. How about the person who don't like reading through a book? Sometime, man feel need book whenever they found difficult problem or exercise. Well, probably you should have this Charlemagne.

Lisa Jennings:

The book Charlemagne can give more knowledge and also the precise product information about everything you want. Why then must we leave the good thing like a book Charlemagne? Several of you have a different opinion about guide. But one aim this book can give many information for us. It is absolutely proper. Right now, try to closer along with your book. Knowledge or facts that you take for that, you could give for each other; you can share all of these. Book Charlemagne has simple shape however you know: it has great and big function for you. You can search the enormous world by open and read a guide. So it is very wonderful.

Jose Crawford:

Charlemagne can be one of your starter books that are good idea. All of us recommend that straight away because this e-book has good vocabulary that could increase your knowledge in words, easy to understand, bit entertaining but still delivering the information. The article author giving his/her effort to put every word into delight arrangement in writing Charlemagne yet doesn't forget the main point, giving the reader the hottest as well as based confirm resource information that maybe you can be among it. This great information could drawn you into new stage of crucial considering.

Gerard Norman:

Is it a person who having spare time in that case spend it whole day by simply watching television programs or just laying on the bed? Do you need something new? This Charlemagne can be the respond to, oh how comes? The new book you know. You are and so out of date, spending your spare time by reading in this brand new era is common not a geek activity. So what these guides have than the others?
