Editorial Review

Review

'This book really is a star. Written by people who really know how difficult it can be to pinpoint accents and dialects, this book provides maps and diagrams showing their locations, and differing phonological features of areas. The terminology is easily understood, so much so that it was a pleasure to read.' A reader from Essex (amazon.co.uk)

About the Author

DOMINIC WATT is Senior Lecturer in Forensic Speech Science at the University of York, UK.

ARTHUR HUGHES taught Applied Linguistics at the University of Reading for 25 years, setting up and directing the Testing and Evaluation Unit.
