

Happy Birthday, Mallory!

By Laurie B Friedman

Happy Birthday, Mallory! By Laurie B Friedman

Mallory McDonald is turning 9! And she's ready to celebrate getting through the past year--one troubled with moving, starting a new school, making new friends, and sibling rivalry. Mallory wants her ninth birthday to be extra special, so she plans an entire birthday month celebration. But soon, things aren't going according to plan, and Mallory frets that being nine may be just as difficult as being eight. Is there anything she can do to turn her unhappy birthday into a happy one?

Editorial Review

From School Library Journal

Grade 2-4—Because she had such a tough time being eight (having to move away from her best friend and go to a new school), Mallory decides that turning nine calls for some special preparation. In fact, she decides to celebrate her entire birth month and comes up with an elaborate set of plans. Her mom and dad nix most of them but allow her to invite her old pal for a birthday visit. Mallory's enthusiasm is infectious and she can be understanding when things don't go her way, but sometimes she seems whiny and self-absorbed. Cartoonlike drawings and large print make the story accessible to early chapter-book readers. Buy where other Mallory books have been popular.—*Tina Zubak, Carnegie Library of Pittsburgh, PA*
