Jett's Wild Wolf: Mystic Wolves Book 3 By Elle Boon

TWO WILD WOLVES LOOKING FOR A PLACE TO BELONG

A WILD WOLF Taryn yearned for freedom and a place where she was loved for herself. For years she looked for that special somewhere that she would be safe to find love. The first time she saw Jett, her heart and mind knew he was the one for her.

A SEXY AS SIN SHIFTER Jett nearly lost his place in the Mystic wolves because of one wild wolf. Now she had gone and saved his life and his wolf wants her for their very own. He senses her vulnerability, and he prays that she will not betray them all.

A BOND THEY COULD NOT DENY Taryn and Jett fight the undeniable need that could tear their worlds apart, until danger almost takes what is most precious away from them. Will they stand and fight for the unyielding love they both thought they never deserved to have?

Review

Be sure and check out the Bestselling crossover series the Iron Wolves. Lyric's Accidental Mate, book 1 is FREE. amzn.to/1NOzmVF

- This third book in Ms. Boon's motorcycle shifter series is probably one of her best stories. She includes all of the characters from the previous two books in this series and takes incidents from them and incorporates them into this storyline. It is a smooth transaction yet covers all the important parts. I loved the romance, the falling in love and the exploring of each other. This particular series is my favorite at this point in time. If you haven't read the previous two books in this series, take the time to check them out. However, it is not necessary to enjoy this book. ~*NightOwl Reviews*~ *Top Pick*
- Ah...Jett's Wild Wolf was an amazing installment in Boon's Mystic Wolves series. The story was rife with magic, passion, and possibilities. This series is exceptional and I highly recommend it for lovers of paranormal romance. ~*BookChick Blog Reviews*~

About the Author

Elle Boon lives in Middle-America as she likes to say...with her husband, two kids, and a black lab who is more like a small pony. She'd never planned to be a writer, but when life threw her a curve, she swerved with it, since she's athletically challenged. She's known for saying "Bless Your Heart" and dropping lots of F-bombs, but she loves where this new journey has taken her.

She writes what she loves to read, and that is romance, whether it's erotic or paranormal, as long as there is a happily ever after. Her biggest hope is that after readers have read one of her stories, they fall in love with her characters as much as she did. She loves creating new worlds and has more stories just waiting to be written. Elle believes in happily ever afters, and can guarantee you will always get one with her stories.
