Pulled: A Catalog of Screen Printing From Princeton Architectural Press

Popularized in the 1960s by Pop artists such as Andy Warhol, screen printing remains a favorite of artists due to its remarkable versatility and relatively low cost. In *Pulled*, best-selling author Mike Perry (*Hand Job*, *Over and Over*) collects the work of more than forty of today's most talented designers who are, in their own way, pushing the boundaries of this dynamic medium.

Editorial Review

Review

"*PULLED: A Catalog of Screen Printing* offers scores of beautiful, funny, novel and otherwise alluring typographical, illustrative, decorative and comedic silk-screen prints, produced by more than 40 illustrators and designers, whose styles and processes are as broad as this book is thick." --The New York Times Book Review, June 8, 2011

"Illustrator Mike Perry has long been a favorite at Dwell. In his new book, Perry opens the page to other screen artists in this survey of more than 40 contemporary screen printers." --Dwell.com, May 4, 2011

"Like his previous books, *Pulled* represents not just the potential of a specific technique, but the voices and skills of a young, global art and design culture, which is embracing the page as much as it is the computer screen, producing work that feels fresh and characterful in a field largely dominated by digital expertise." --NYLON Guys, July, 2011

"*Pulled* is handled with particular charm and has an ace host of artists and illustrators who, as the new generation of screen printers, says more about the process and the potential for manipulation by an artist in a work by work context." -- Itsnicethat.com, April 29, 2011

"Should go on your must-have book list... *Pulled* is an exhaustive reference for awe-inspiring registration (or not), happy accidents, texture, and color." -- Mintdesignblog.com, April 29, 2011

From reader reviews:

Sonya Ewing:

What do you with regards to book? It is not important with you? Or just adding material if you want something to explain what the one you have problem? How about your spare time? Or are you busy particular person? If you don't have spare time to accomplish others business, it is gives you the sense of being bored faster. And you have extra time? What did you do? Everyone has many questions above. They must answer that question mainly because just their can do which. It said that about publication. Book is familiar in each person. Yes, it is right. Because start from on pre-school until university need that *Pulled: A Catalog of Screen Printing* to read.

Richard Simpson:

Do you considered one of people who can't read pleasurable if the sentence chained in the straightway, hold on guys this kind of aren't like that. This *Pulled: A Catalog of Screen Printing* book is readable by you who hate those perfect word style. You will find the information here are arrange for enjoyable examining experience without leaving also decrease the knowledge that want to supply to you. The writer regarding *Pulled: A Catalog of Screen Printing* content conveys thinking easily to understand by lots of people. The printed and e-book are not different in the articles but it just different in the form of it. So , do you

nonetheless thinking Pulled: A Catalog of Screen Printing is not loveable to be your top list reading book?

John Tovar:

Nowadays reading books are more than want or need but also get a life style. This reading habit give you lot of advantages. The benefits you got of course the knowledge the rest of the information inside the book this improve your knowledge and information. The knowledge you get based on what kind of guide you read, if you want attract knowledge just go with training books but if you want feel happy read one along with theme for entertaining for instance comic or novel. The actual Pulled: A Catalog of Screen Printing is kind of guide which is giving the reader unstable experience.

Henry Baker:

What is your hobby? Have you heard that question when you got college students? We believe that that problem was given by teacher on their students. Many kinds of hobby, All people has different hobby. So you know that little person like reading or as reading become their hobby. You should know that reading is very important in addition to book as to be the point. Book is important thing to add you knowledge, except your personal teacher or lecturer. You see good news or update with regards to something by book. Many kinds of books that can you take to be your object. One of them is Pulled: A Catalog of Screen Printing.
