Series List - David Baldacci - In Order: Novels and Books By

This is a quick-reference title list for your kindle or kindle app to help you easily list David Baldacci's novels and books in series reading order.

You can pop open the list right from your kindle book list. You don't have to navigate the browser on the device or logon to your PC or laptop or have a printed list lying around to find out which of the authors books to read next.

The works are listed in series chronological order, as quite often they reference characters and places in previous novels and stories.

Hopefully you have the Kindle Unlimited subscription and can download it for free. If not, a dollar is a small price to pay for the convenience of this book.

TIP: Titles you've read can be "checked off" with the kindle highlight feature.
TIP: Turn on Automatic Updates so that this list updates on your kindle when new titles are added.

Just to avoid any misunderstandings about copyright, according to the United States Copyright Office, "Copyright law does not protect names, titles, or short phrases or expressions." (copyright.gov, circular 34).

I hope you find this made-for-kindle list as helpful as I do in deciding which of the author's books to purchase and enjoy next.
