

## The Crow: Special Edition

By J. O'Barr

### The Crow: Special Edition By J. O'Barr

When James O’Barr poured the pain and anguish of a personal tragedy into the drawings that comprise *The Crow*, his intensely cathartic story of Eric—who returns from the dead to avenge his and his fiancée’s murder at the hands of a street gang—resonated with readers around the world. Now, the illustrated tale that became the “thrilling” (*Los Angeles Daily News*) and “spectacular” (*Chicago Tribune*) screen triumph is re-released in an expanded version the author originally intended, complete at last with:

**Thirty pages of never-before-seen artwork, including a new closing segment, “Sparklehorse,” and the touching new scene, “An August Noel”**

**A new Introduction by James O’Barr**

**Lost sequences restored using the artist’s original technique**

This is *The Crow* like you’ve never seen it before—the powerful journey of an avenging angel and a celebration of true love . . . as fierce, intelligent, and unforgettable as when it was first conceived.

Suggested for mature readers.

### Users Review

#### From reader reviews:

##### John Bullen:

Do you have something that you prefer such as book? The guide lovers usually prefer to decide on book like comic, brief story and the biggest an example may be novel. Now, why not seeking The Crow: Special Edition that give your enjoyment preference will be satisfied simply by reading this book. Reading routine all over the world can be said as the means for people to know world far better then how they react towards the world. It can't be said constantly that reading behavior only for the geeky man or woman but for all of you who wants to end up being success person. So , for all of you who want to start looking at as your good habit, it is possible to pick The Crow: Special Edition become your personal starter.

##### David Pimentel:

Your reading sixth sense will not betray anyone, why because this The Crow: Special Edition reserve written by well-known writer who knows well how to make book which might be understand by anyone who have read the book. Written throughout good manner for you, still dripping wet every ideas and composing skill only for eliminate your own personal hunger then you still doubt The Crow: Special Edition as good book not simply by the cover but also through the content. This is one reserve that can break don't assess book by its handle, so do you still needing another sixth sense to pick this kind of!? Oh come on your reading through sixth sense already said so why you have to listening to one more sixth sense.

##### Ruth Davis:

Within this era which is the greater person or who has ability to do something more are more treasured than other. Do you want to become one among it? It is just simple way to have that. What you must do is just spending your time very little but quite enough to experience a look at some books. One of the books in the top collection in your reading list is definitely The Crow: Special Edition. This book that is certainly qualified as The Hungry Slopes can get you closer in turning out to be precious person. By looking way up and review this guide you can get many advantages.

##### Joseph Ortiz:

Do you like reading a e-book? Confuse to looking for your chosen book? Or your book has been rare? Why so many problem for the book? But just about any people feel that they enjoy for reading. Some people likes

reading through, not only science book but novel and The Crow: Special Edition as well as others sources were given understanding for you. After you know how the truly amazing a book, you feel want to read more and more. Science reserve was created for teacher or students especially. Those guides are helping them to increase their knowledge. In some other case, beside science guide, any other book likes The Crow: Special Edition to make your spare time much more colorful. Many types of book like this.
