By Richard Jackson

**Confessions of a Terrorist: The Declassified Document** By Richard Jackson

In a claustrophobic concrete cell, two men face each other across a bare table. One is a wanted terrorist, the other a British intelligence officer. But this is no ordinary interrogation, and as they talk deep into the night and violent secrets are revealed, the line between interrogator and confessor begins inextricably to blur. Who, then, is the real terrorist? And will they pay for their guilt in blood?

*Confessions of a Terrorist [The Declassified Document]* is an extract from the explosive first novel by Richard Jackson, one of the world's leading experts on terrorism and professor of peace studies at the University of Otago, New Zealand.
