Debra's Diary (First Time Babysitter Fantasy) By Stacie Amore

Debra was always the curvy girl in school. She wasn't fat but, in a world where skinny chicks ruled, she was always the odd one out when it came to dates. With no one taking her out, she began to experiment with self pleasure, sometimes taking care of herself multiple times a day.

In order to make some money, she babysat for her neighbor during the summer months. Since school was out, Leo, the families college aged son, came home for the summer. Most days, his friend Chris was there hanging out with him as well. Debra had a crush on Chris and would often lock herself in the guest room to fantasize about him.

One day, Leo caught onto what she was doing and barged in on her right as she was reaching the point of no return. She was so embarrassed. Little did she know that she was about to experience her first time with two guys instead of just one.
