Demonglass (A Hex Hall Novel) By Rachel Hawkins

Sophie Mercer thought she was a witch.

That was the whole reason she was sent to Hex Hall, a reform school for delinquent Prodigium (aka witches, shapeshifters, and fairies). But that was before she discovered the family secret, and that her hot crush, Archer Cross, is an agent for The Eye, a group bent on wiping Prodigium off the face of the earth.

Turns out, Sophie's a *demon*, one of only two in the world—the other being her father. What's worse, she has powers that threaten the lives of everyone she loves. Which is precisely why Sophie decides she must go to London for the Removal, a risky procedure that will either destroy her powers forever — or kill her.

But once Sophie arrives she makes a shocking discovery. Her new housemates? They're demons too. Meaning *someone* is raising them in secret with creepy plans to use their powers, and probably not for good. Meanwhile, The Eye is set on hunting Sophie down, and they're using Acher to do it. But it's not like she has feelings for him anymore. Does she?

Editorial Review

From [Booklist](#)

The second Hex Hall novel follows young demon Sophie Mercer to a huge, gorgeous English country estate with her powerful warlock father, where she can learn more about her heritage and decide whether to go through with her decision to remove her magical powers. Sophie is surrounded by handsome boys: her crush, demon-hunter Archer Cross, and the hunky but taciturn magical healer Cal. Although this second title lacks the plentiful humor of the first, narrator Sophie's delivery is still delightfully brash, and the many action scenes lend a cinematic feel. An abrupt ending sets up readers for at least one more title. Grades 7-11. -- Debbie Carton

Review

"Brisk pacing, sparkling romantic chemistry and genuine heartache will satisfy fans and attract new readers to the series." ---Kirkus

About the Author

Rachel Hawkins(www.rachel-hawkins.com) was a high school English teacher before becoming a full-time writer. She lives with her family in Alabama, and is currently at work on the third book in the Hex Hall series. To the best of her knowledge, Rachel is not a witch, though some of her former students may disagree....
