Fallen Crest High (Fallen Crest Series, Book 1) By Tijan

Mason and Logan Kade are two brothers who did their own thing. They were rich and expected to attend Samantha's school, Fallen Crest Academy. They chose public school and now she has to live with them. The problem is that she doesn't care at all: about them, about her friends, about her cheating boyfriend, or even about her parent's divorce. But maybe that's a good thing. Maybe change is a good thing.

This book contains adult/mature young adult situations.
