### Lawyers, Guns & Money By Ian Wishart

It is a story of Hollywood, and movie stars like David Bowie and Tatum O'Neal. It is a story of children's fairytales penned by one of Walt Disney's best-loved animators - the man who created Fantasia. It is a story of the Aga Khan, Robert Sangster, and the battle for control of the world's bloodstock industry. It is a story of men armed with Uzi machine guns, of glittering tax havens and unspeakable wealth. It is a story that begins in New Zealand and encircles the globe. Told by top investigative journalist and five times #1 bestselling author Ian Wishart, Lawyers, Guns & Money is a gripping legal thriller in the tradition of John Grisham's The Firm - only this one is a true story. What the critics said: "He's onto another winner. Wishart...is exceptionally thorough. He skilfully blends official documents with his own observations and material from his own inquiries, giving a more informative picture than could ever have been possible in the daily media" - Manawatu Evening Standard "If you like to mix business with pleasure, take Lawyers, Guns & Money to your beachside accommodation with you" - North & South "Wishart has grown as an author" - Otago Daily Times
