### **Editorial Review**

Amazon.com Review

The Irish sensation *Riverdance* is driven as much by Bill Whelan's infectious music as it is by flying clogs. This book includes 20 numbers from the show, including such selections as "Freedom" and "American Wake," which were added for the New York version of the show. Choral pieces including "The Heart's Cry" and "Home and the Heartland" are here, though not scored for SATB, and for those venturing beyond the piano, the instrumental sections provide cues for bodhrán, uilleann pipes, and fiddle, among others. The book also includes texts (not translated) and song-by-song notes by the composer. --*David Horiuchi*
