The Mayo Clinic Diabetes Diet: The #1 New York Bestseller adapted for people with diabetes By the weight-loss experts at Mayo Clinic

The #1 *New York Times* bestseller adapted for people with diabetes, now in paperback—with 16 brand-new pages, full of menus designed to kick-start your weight loss and control your blood sugar. From Mayo Clinic, a leading authority in health and nutrition, comes *The Mayo Clinic Diabetes Diet*, adapted for people with pre-diabetes and type 2 diabetes from the #1 *New York Times* bestseller, *The Mayo Clinic Diet*. This reliable plan is what you need to lose weight to help you control your blood sugar. The medical specialists at Mayo Clinic have created *The Mayo Clinic Diabetes Diet* as a two-phase plan—Lose It! and Live It! The Diet helps at-risk people prevent and control diabetes by losing weight quickly and safely, and then maintaining that weight loss.

The Lose It! phase is a simple, straight-forward, two-week plan that encourages quick but safe weight loss that can help lower blood sugar.

The Live It! phase of the diet offers basic and manageable steps and lifestyle changes and choices that are designed to help participants lose one to two pounds a week until a healthy weight is reached, and then to keep the pounds off.

Mayo Clinic's weight-loss and nutrition experts have packed this book with meal plans, practical solutions, and specific tips on how to improve health and lose weight safely. *The Mayo Clinic Diabetes Diet* tackles all the familiar obstacles that get in the way of weight loss—dislike of exercise, distaste of healthy food, too little time to cook well, a too hectic schedule, struggles with cravings, and minimal support from family and friends. It is a reliable and safe companion for losing weight and controlling diabetes, beginning immediately and into the future. "This diabetes diet isn't a fad; it's about changing your habits for the better," states Donald Hensrud, M.D., Mayo Clinic specialist in nutrition and internal medicine and medical editor-in-chief. "With *The Mayo Clinic Diabetes Diet*, people can truly manage diabetes, eat well, lose weight and enjoy life."
