Warrior Queen of Ha-Ran-Fel: Book 1 of the Dark Lords of Epthelion By Sandra Kopp

Unabridged version.

Dead. All dead. Her father and mother. Their loyal servants. Her countrymen. Killed by her cousin, Lucius Mordarius, and his ilk, followers of the dark lord Ryadok. Though beaten down in the following years, hatred fuels Merewyn, keeping her alive. And then it comes: an opportunity to escape. Aided by four strangers she doesn't entirely trust, Merewyn directs her steps to Ha-Ran-Fel, land of the savage Horse Lords, where she hopes to gain the strength to come back for her cousin's head. But complications arise. The band of strangers hunt Lord Ryadok's beast, the Baugonril, a monster born of magic, created to be impervious to attack. If successfully bred, the Baugonril would mean the ruin of every nation still fighting Ryadok's yoke. Merewyn's quest must expand beyond revenge to the salvation of her world, but there is little room left in her heart for anything but hate; so she thinks. The longer she remains with the companions, the more her suspicions turn from them to her reactions to their care and protection. Could she weaken so easily? Dogged by the sorcerer's soldiers and her own inner demons, she survives maelstroms, near starvation, and the dangerous crossing of the raging Ashgard River only to arrive at her destination, what she believes to be the end of her quest, to be treated with suspicion and condescension. She must prove her worth and fight for the right to avenge her family and the honor of saving her world as the Warrior Queen of Ha-Ran-Fel.

Editorial Review

Review

I enjoyed this fantasy story immensely. The characters were interesting with just the right amount of good and evil. I liked Merewyn, as she is a strong woman who takes things into her own hands and creates what she wants in life. I really liked Charles; he is a very good-natured person and a great leader for the group. Arris battled some inner demons and came through as a hero. The world was interesting, very medieval with magic, mystery, and fantastic beasts. There was a lot of traveling and fighting while following the four companions in the middle of the story that dragged a bit, however when the battles were happening the pace picked up. All in all an enjoyable epic fantasy that pulls you in and does not let you go until the end. Pam, The Book Addicts

I really enjoyed this book. It wasn't flooded with lots of extra detail- it moved right along but still had enough description to let you create what was happening in your mind. I slowed my reading pace towards the end because I wasn't ready for it to end. I look forward to reading the next book!!! Katie

This book was actually really good! At first I thought it was a little slow, but it really picked up and when it ended I realized the book had grown on me. I thought it was a good book, and I liked how Merewyn progressed from a slave working in a stable to a warrior. I was also glad that this book actually has a happy ending, contrary to many today. Flora

I really liked this book. It has elements that reminded me a little of Lord of the Rings, but it's very much its own story. I especially liked the imagery-you are there! I really came to care for the characters-especially Merewyn. Jean

From the Author

Writing Warrior Queen of Ha-Ran-Fel (Book 1 of the Dark Lords of Epthelion series) proved both an adventure and an escape. For three to four hours every evening I left the mundane world of computer coding and set my imagination free, enjoying the ride as I waited to see where it took me. I had but an image: A young woman standing outside a ramshackle cottage at sunset. The dying sun stained the cottage walls with rusty hues. A dead tree behind her raised skeletal bleached branches to the sky. The wind lifted her blonde hair and stirred the sparse native grass at her feet. Her face wore a haunted expression as she contemplated the darkening sky, trying to decide to which of the mysterious kingdoms surrounding her she could flee. Whether merely unhappy or facing mortal danger I could not tell, but as she began to speak a tale of indescribable betrayal and tragedy unfolded that made me wonder: How do you retain your sanity when the unendurable shatters your world and destroys all you hold dear? How can you ever learn to love or trust or laugh again?

A story of human resilience, perseverance, faith, and victory emerged. My heroine not only survived but thrived, and continued on to a more fulfilling life than she might have otherwise enjoyed. And during her journey she discovered within herself strength and abilities she didn't know she possessed.

Warrior Queen of Ha-Ran-Fel swept me into a beautiful and enchanted world with a colorful cast of characters: The Arganian mystics; the stalwart woodsmen; the evil sorcerer and his ambitious apprentice; the sinister peoples of the Dark Lord's realm; and the rough-neck mercenaries, among others. Action, suspense, and humor intertwine into an intriguing tale. I loved writing it. And I'd love to share my world

with you.

About the Author

Sandra Kopp, lover of chocolate, builder of kingdoms, and ever a dreamer has always loved a good story. In 2002 she decided to follow her dream of becoming a serious writer. Warrior Queen of Ha-Ran-Fel, Book 1 of the Dark Lords of Epthelion trilogy, is her first novel. Book 2, A Dark Moon Rises followed in 2014, and the third book, Castle of Blood, was released in January 2017. She is currently working on a paranormal romance series and a western based on an incident in her father's life.

Users Review
