*In Cambio Springs, everything--and everyone--changes.*

Wolf shifter, Alex McCann, and lion shifter, Teodora "Ted" Vasquez, came from rival clans. They left Cambio Springs together. Ted came back. Alex didn't.

As the town's doctor, Ted has her own concerns about exposing her community to outsiders. The two former lovers are at each other's throats. And everyone is watching to see what happens.

But when murder once again strikes Cambio Springs, can they overcome their past to help the community they both call home? And can the love they once shared burn again when so many stand against it?
