Disappeared By Colin Falconer

What is the most terrible secret a father could hide from his daughter?

Buenos Aires, 1976. The generals take control and for rich Jewish financiers like Reuben Altman the world is coming to an end, just as it should be beginning. He has a beautiful wife who has just given him two twin baby daughters, Diana and Simone.

But the night the death squads come to his apartment, he is not there, he is with his mistress. It is a sin he will pay for, over and over again.

The man who tortures and murders his wife also takes one of his baby daughters as his own. But what happened to Diana?

Many years later, after the junta are overthrown, Reuben Altman returns to Argentine to try and unravel the secrets.

A deeply religious country with a dark and violent past, Argentina has always treated its generals with as much reverence as its priests. So it does not surprise him when his search leads him to Rome and the headquarters of the Catholic Church. In uncovering the truth he threatens men with powerful links to the international arms business and the Vatican bank itself.

But Reuben is a man looking for redemption and will stop at nothing to bring his daughters back together and uncover the most terrible secret any father can ever keep.

Colin Falconer is the international best selling author of ANASTASIA and the OPIUM series and fifteen other best selling novels. His books have been translated into eighteen languages.

Editorial Review

Users Review

From reader reviews:

Marlene Turner:

What do you concerning book? It is not important together with you? Or just adding material when you need something to explain what yours problem? How about your free time? Or are you busy particular person? If you don't have spare time to complete others business, it is make you feel bored faster. And you have extra time? What did you do? Every person has many questions above. They must answer that question simply because just their can do in which. It said that about reserve. Book is familiar on every person. Yes, it is correct. Because start from on guardería until university need this specific Disappeared to read.

George Seal:

As people who live in often the modest era should be change about what going on or information even knowledge to make these individuals keep up with the era which is always change and make progress. Some of you maybe will probably update themselves by examining books. It is a good choice for yourself but the problems coming to anyone is you don't know which you should start with. This Disappeared is our recommendation to help you keep up with the world. Why, because this book serves what you want and wish in this era.

Jeffrey Blough:

This book untitled Disappeared to be one of several books this best seller in this year, honestly, that is because when you read this publication you can get a lot of benefit onto it. You will easily to buy this kind of book in the book retailer or you can order it by way of online. The publisher of the book sells the e-book too. It makes you easier to read this book, as you can read this book in your Smart phone. So there is no reason to you to past this reserve from your list.

Helen Velez:

Reading a book for being new life style in this 12 months; every people loves to examine a book. When you examine a book you can get a large amount of benefit. When you read ebooks, you can improve your knowledge, since book has a lot of information in it. The information that you will get depend on what types of book that you have read. If you need to get information about your research, you can read education books, but if you act like you want to entertain yourself you can read a fiction books, this sort of us novel, comics, in addition to soon. The Disappeared offer you a new experience in reading through a book.
