Fairy Tales of Hans Christian Andersen: The Complete Works By Hans Christian Andersen

Fairy Tales of Hans Christian Andersen - The Complete Works 127 Classic Hans Christian Andersen Stories - By Hans Christian Andersen Brand New Bumper Edition Hans Christian Andersen; often referred to in Scandinavia as H. C. Andersen; April 2, 1805 – August 4, 1875) was a Danish author and poet. Although a prolific writer of plays, travelogues, novels, and poems, Andersen is best remembered for his fairy tales. Andersen's popularity is not limited to children; his stories—called eventyr, or "fairy-tales"—express themes that transcend age and nationality. Andersen's fairy tales, which have been translated into more than 125 languages, have become culturally embedded in the West's collective consciousness, readily accessible to children, but presenting lessons of virtue and resilience in the face of adversity for mature readers as well. Some of his most famous fairy tales include "The Little Mermaid", "The Ugly Duckling", "The Nightingale", "The Emperor's New Clothes" and many more. His stories have inspired plays, ballets, and both live-action and animated films. His initial attempts at writing fairy tales were revisions of stories that he heard as a child. Andersen brought this genre to a new level by writing a vast number of fairy tales that were both bold and original. Initially they were not met with recognition, due partly to the difficulty in translating them and capturing his genius for humor and dark pathos. It was during 1835 that Andersen published the first two installments of his immortal Fairy Tales (Danish: Eventyr; lit. "fantastic tales"). More stories, completing the first volume, were published in 1837. The collection consists of nine tales that includes The Tinderbox, The Princess and the Pea, Thumbelina, The Little Mermaid and The Emperor's New Clothes. The quality of these stories was not immediately recognized, and they sold poorly. At the same time, Andersen enjoyed more success with two novels, O.T. (1836) and Only a Fiddler (1837); the latter was reviewed by the young Søren Kierkegaard. After a visit to Sweden in 1837, Andersen became inspired by Scandinavism and committed himself to writing a poem that would convey the relatedness of Swedes, Danes, and Norwegians. It was in July 1839 during a visit to the island of Funen that Andersen first wrote the text of his poem, Jeg er en Skandinav ("I am a Scandinavian"). Andersen composed the poem to capture "the beauty of the Nordic spirit, the way the three sister nations have gradually grown together," as part of a Scandinavian national anthem. Composer Otto Lindblad set the poem to music, and the composition was published in January 1840. Its popularity peaked in 1845, after which it was seldom sung. Andersen

spent two weeks at the Augustenborg Palace in the autumn of 1844.
