Searching for Someday (Searching For series Book 1) By Jennifer Probst

From “one of the most exciting breakout novelists” (*USA TODAY*) comes the first novel in an irresistible new series—a spin-off of the bestselling *Marriage to a Billionaire* series—featuring a matchmaker who falls for a man who doesn’t believe in love.

First in a sizzling new series from Jennifer Probst, the *USA Today* bestselling author adored for her “fresh, fun, and sexy” (*Romancing the Book*) storytelling!

In charming Verily, New York, Kate Seymour has a smashing success with Kinnections, the matchmaking service she owns with her two best girlfriends. But Kate’s more than a savvy businesswoman: She’s gifted with a secret power, a jolting touch that signals when love’s magic is at work. It rocked her when she picked up a strange volume of love spells in the town’s used bookstore . . . and it zapped her again when she encountered Slade Montgomery, the hot-tempered—and hot-bodied—divorce lawyer who storms into Kinnections demanding proof that playing Cupid won’t destroy his vulnerable sister, Kate’s newest client. The only way to convince this cynic that she’s no fraud, and that love is no mirage, is for Kate to meet his audacious challenge: find him his dream woman. Can Kate keep their relationship strictly business when her electrifying attraction nearly knocked her off her feet? Or has the matchmaker finally met her match?

Editorial Review

From [Booklist](#)

Kate Seymour has a special sense for when two people are meant for each other, and she's put it to use running a successful matchmaking business, Kinnections, with her two best friends in an idyllic New York town. Despite her knack for setting others up, Kate has yet to meet her soul mate. Enter Slade, an embittered divorce lawyer, who signs up for Kinnections to keep tabs on his sister, who's looking for love after a devastating breakup. The spark between Kate and Slade is jolting, but she's the exact opposite of his type: classically pretty, virginal, and a believer in true love. When denying their attraction causes her to lose her talent for matching others and him to lose his legal edge, they give in to passion. Probst writes the popular Marriage to a Billionaire series (*The Marriage Merger*, 2013), and her latest contemporary romance, though somewhat hampered by clunky exposition, offers both heat and heart. --Aleksandra Walker
