Editorial Review

Review

"The action in the book is built up really well and the monsters sent from hell are fantastic and are a real threat. The weaponry on show is mystical and exciting and the action scenes are detailed very well. The relationship between the various characters are not straightforward and you will find yourself wondering as to who exactly is on the 'right' side in this. I would recommend this to readers of YA romance and fantasy who enjoyed the 'Twilight' series (but with a stronger female lead!)" -dancrossbookblog.com

"The author's world creation abilities are simply second to none and this story, while set in a somewhat fantastic setting, comes across as completely realistic. Any reader who enjoys young adult fiction with a mythical sense and a strong romantic undertone should absolutely read this book. I highly recommend The Healer, and I look forward to reading more from the very gifted author, C.J. Anaya, as soon as I possibly can!" -Tracy Slowiak, Readers' Favorite

"I love every part of this novel. From the world building to the characters, C.J. Anaya has truly created a wonderful story. Young adult fans who enjoy The Mortal Instruments and/or The Vampire Diaries will love this series. I cannot wait to see what happens next!" -Amazon Customer

"The Healer was more than I expected. The story was really good, the characters were realistic and never bored me. I loved the author's writing because it read so easily and the romance was sweet and exciting all at once. Read this book, people!" -Bookfever

"The Healer is an excellent example of Fabulism/Magical realism, combining myths and fables from the Japanese culture, as well as touching on a few others. C.J. Anaya has an excellent writer's voice and sets a brilliant pace...It was impossible not to get lost in the story." -K.J. Simmill, Readers' Favorite

"If you enjoy YA paranormal fantasy with mythological themes you'll love this book and the series. If you enjoy captivating characters that are uniquely their own you'll love this story." -Jami Brumfield, Author of The Winters Saga
