Three loves found on one incredible journey. Karl Ontario is a medical researcher not an adventurer, but when an audacious mission is proposed to go back in time to save doomed children on the ill-fated Atlantic liner, Rms Titanic, he makes sure he's included on the team. Little does he realise that his own future happiness depends on saving the life of just one passenger: Lizzie Faulkner, an unwed mother-to-be. Eilish Cork is a time travelling Retriever and this mission is like any other to her, until she falls in love with her handsome Target, London barrister Maxwell Ingham, and is asked to risk everything to save him from his tragic fate. And sweet Pia Rogaland, whose only goal is to rescue the children on board the Titanic until she meets Marco Lorenza, a man she's not permitted to save. With time running out, is it possible to rescue those victims history determined went down with the unsinkable Ship of Dreams or will more lives be forfeited trying to carry out this dangerous mission.
