

What Is Crime?: Controversies over the Nature of Crime and What to Do about It

By Stuart Henry, Mark M. Lanier

What Is Crime?: Controversies over the Nature of Crime and What to Do about It By Stuart Henry, Mark M. Lanier

For decades, scholars have disagreed about what kinds of behavior count as crime. Is it simply a violation of the criminal law? Is it behavior that causes serious harm? Is the seriousness affected by how many people are harmed and does it make a difference who those people are? Are crimes less criminal if the victims are black, lower class, or foreigners? When corporations victimize workers is that a crime? What about when governments violate basic human rights of their citizens, and who then polices governments? In *What Is Crime?* the first book-length treatment of the topic, contributors debate the content of crime from diverse perspectives: consensus/moral, cultural/relative, conflict/power, anarchist/critical, feminist, racial/ethnic, postmodernist, and integrational. Henry and Lanier synthesize these perspectives and explore what each means for crime control policy.

Editorial Review

Review

If I had my way, a course on *What Is Crime?* would be a prerequisite to introductory criminology. Leading criminological theorists of the last several generations debate the issue. It is the most accessible book on the topic?well edited and organized. (*Contemporary Sociology*)

Of all the materials available on the market today, Stuart Henry and Mark Lanier's book is perhaps the best collection of articles on the meaning of crime. This work is essential for anyone serious about the study of crime. The collection provides not only a foundation for students to begin understanding crime but offers up in-depth considerations of its meaning. The work is a perfect complement to any course in criminology. (Victor E. Kappeler, Eastern Kentucky University)

About the Author

Stuart Henry is professor and director of interdisciplinary studies at Wayne State University, where he also serves as associate dean of the College of Lifelong Learning.

Mark M. Lanier is associate professor of criminal justice and legal studies at the University of Central Florida.

Users Review

From reader reviews:

Wayne Hause:

A lot of people always spent their very own free time to vacation or maybe go to the outside with them family members or their friend. Are you aware? Many a lot of people spent these people free time just watching TV, or even playing video games all day long. In order to try to find a new activity this is look different you can read some sort of book. It is really fun in your case. If you enjoy the book that you read you can spent all day every day to reading a book. The book What Is Crime?: Controversies over the Nature of Crime and What to Do about It it doesn't matter what good to read. There are a lot of people who recommended this book. We were holding enjoying reading this book. In the event you did not have enough space to bring this book you can buy the particular e-book. You can m0ore easily to read this book through your smart phone. The price is not too costly but this book possesses high quality.

James Reed:

Exactly why? Because this What Is Crime?: Controversies over the Nature of Crime and What to Do about It is an unordinary book that the inside of the e-book waiting for you to snap that but latter it will zap you with the secret the item inside. Reading this book adjacent to it was fantastic author who also write the book in such incredible way makes the content inside of easier to understand, entertaining way but still convey the meaning thoroughly. So , it is good for you for not hesitating having this any longer or you going to regret it. This amazing book will give you a lot of rewards than the other book have such as help improving your talent and your critical thinking technique. So , still want to postpone having that book? If I ended up you I will go to the guide store hurriedly.

Leon Moses:
