

## Where's Nancy? (Nancy Drew: Girl Detective Super Mystery #1)

By Carolyn Keene

### Where's Nancy? (Nancy Drew: Girl Detective Super Mystery #1) By Carolyn Keene

#### Where's Nancy?

Nancy was going to tell you about this big mystery, but she disappeared. *Poof.* Just like that.

So now Bess, Ned, and me, George, have the Case of the Missing Detective on our hands. We've got to find Nancy!

Let me tell you, this sleuthing thing is no joke. We've worked with Nancy on lots of cases, but we've never had to do it ourselves -- and the stakes have never been so high. We think this might have to do with that possible museum theft Nancy was talking about -- we're just not sure yet. But we're woking on it. Wish us luck!

Gr. 4-7. This is the first in the Nancy Drew Super Mystery series. What makes it super? That's a mystery. But there is something new here. Nancy doesn't make an appearance until the last few pages. That's because she is missing, and the book revolves around finding her. Nancy's disappearance leaves the story in the hands of alternating narrators--Nancy's good friends George and Bess (although it's not always easy to tell their voices apart). When Nancy is late for a lunch date, her friends chalk it up to her usual forgetfulness. When she misses a date with boyfriend Ned, concern mounts. As several days pass, George, Ned, and Bess try to follow the slim offering of clues that might lead to her discovery. There are some catty comments that heighten the humor and a few inside jokes that provoke chuckles: wherever the trio goes, the first thing they are asked is, "Where's Nancy?" George wonders indignantly if they are nothing but sidekicks. Well, duh. A quick read, this is a Nancy for a new generation. *Ilene Cooper Copyright* © *American Library Association. About the Author Carolyn Keene is the author of the ever-popular Nancy Drew books.

#### **Users Review**

#### From reader reviews:

#### **Betty Terry:**

The particular book Where's Nancy? (Nancy Drew: Girl Detective Super Mystery #1) has a lot details on it. So when you check out this book you can get a lot of benefit. The book was published by the very famous author. The author makes some research ahead of write this book. That book very easy to read you can obtain the point easily after reading this book.

#### Juan Farley:

Exactly why? Because this Where's Nancy? (Nancy Drew: Girl Detective Super Mystery #1) is an unordinary book that the inside of the book waiting for you to snap that but latter it will jolt you with the secret the idea inside. Reading this book close to it was fantastic author who also write the book in such amazing way makes the content interior easier to understand, entertaining approach but still convey the meaning fully. So , it is good for you because of not hesitating having this any more or you going to regret it. This excellent book will give you a lot of advantages than the other book have such as help improving your proficiency and your critical thinking way. So , still want to postpone having that book? If I had been you I will go to the publication store hurriedly.

#### **Dorothy Penland:**

On this era which is the greater individual or who has ability to do something more are more precious than

other. Do you want to become among it? It is just simple solution to have that. What you have to do is just spending your time almost no but quite enough to have a look at some books. One of several books in the top record in your reading list is Where's Nancy? (Nancy Drew: Girl Detective Super Mystery #1). This book and that is qualified as The Hungry Inclines can get you closer in turning into precious person. By looking upwards and review this guide you can get many advantages.

#### **Russell Hardison:**

As a student exactly feel bored to reading. If their teacher asked them to go to the library or make summary for some e-book, they are complained. Just small students that has reading's heart or real their pastime. They just do what the professor want, like asked to the library. They go to at this time there but nothing reading really. Any students feel that looking at is not important, boring and also can't see colorful photographs on there. Yeah, it is to be complicated. Book is very important for you. As we know that on this period, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. Therefore this Where's Nancy? (Nancy Drew: Girl Detective Super Mystery #1) can make you sense more interested to read.
