

Acupuncture for Dogs and Cats: A Pocket Atlas

By *Christina Matern*

Acupuncture for Dogs and Cats: A Pocket Atlas By Christina Matern
A complete introduction to the principles of traditional Chinese medicine (TCM), channel systems, TCM diagnostics, point selection, and point categories (such as Ting or Luo points) provide a strong foundation in the concepts of veterinary TCM

The only book to focus solely on acupuncture for small animals, this handy, pocket-size atlas is unique in the field. It offers a wealth of practical knowledge and a pictorial reference for veterinarians, animal acupuncturists, students, and trainees whose goal is to provide the highest level of treatment to the animals in their care.

Editorial Review From the Back Cover

Praise for this book: "This is a welcome pocket reference for veterinarians who have already completed acupuncture training, but are not yet proficient in the location or use of all the points." -- Lorrie Hale-Mitchell, DVM, University of Illinois College of Veterinary Medicine Skillfully integrating traditional concepts of Chinese medicine with clinical experience and modern scientific research, "Acupuncture for Dogs and Cats" brings together all current information in one convenient book. Its atlas-style format, highlighted by hundreds of full-color photographs and supporting text, makes it ideal as a quick, user-friendly reference in the clinic or training program. Special Features: An easy-to-use, double-page spread designed for fast retrieval of information--on the left, concise text describes the effects, indications, localization, technique, and depth of insertion for each acupuncture point; on the right, high-quality photographs demonstrate all concepts. Bones and muscles have been precisely drawn into each photograph, a valuable tool for localization of points. A comprehensive discussion of all acupuncture points in all channels ensures that you have full mastery of the field. A complete introduction to the principles of traditional Chinese medicine (TCM), channel systems, TCM diagnostics, point selection, and point categories (such as Ting or Luo points) provide a strong foundation in the concepts of veterinary TCM. The only book to focus solely on acupuncture for small animals, this handy, pocket-size atlas is unique in the field. It offers a wealth of practical knowledge and a pictorial reference for veterinarians, animal acupuncturists, students, and trainees whose goal is to provide the highest level of treatment to the animals in their care. About the Author: Founding Director of German Veterinary Acupuncture Society e.V., Idstein, Germany. Users Review **From reader reviews:**

Benjamin Torres: What do you think about book? It is just for students as they are still students or that for all people in the world, what best subject for that? Simply you can be answered for that issue above. Every person has distinct personality and hobby for every single other. Don't to be forced someone or something that they don't need do that. You must know how great along with important the book Acupuncture for Dogs and Cats: A Pocket Atlas. All type of book is it possible to see on many methods. You can look for the internet options or other social media.

Jennifer Lorenzo: Can you one of the book lovers? If so, do you ever feeling doubt when you are in the book store? Make an effort to pick one book that you just don't know the inside because don't assess book by its protect may doesn't work at this point is difficult job because you are scared that the inside maybe not while fantastic as in the outside search likes. Maybe you answer may be Acupuncture for Dogs and Cats: A Pocket Atlas why because the amazing cover that make you consider with regards to the content will not disappoint you actually. The inside or content is usually fantastic as the outside or perhaps cover. Your reading sixth sense will directly direct you to pick up this book.

James Garza: In this time globalization it is important to someone to get information. The information will make anyone to understand the condition of the world. The condition of the world makes the information much easier to share. You can find a lot of sources to get information example: internet, paper, book, and soon. You can view that now, a lot of publisher this print many kinds of book. The actual book that recommended for your requirements is Acupuncture for Dogs and Cats: A Pocket Atlas this e-book consist a lot of the information from the condition of this world now. This kind of book was represented how can the world has grown up. The terminology styles that writer use for explain it is easy to understand. Typically the writer made some analysis when he makes this book. This is why this book acceptable all of you.

Gloria Castaldo: What is your hobby? Have you heard in which question when you got students? We believe that that question was given by teacher for their students. Many kinds of hobby, Everyone has different hobby. So you know that little person just like reading or as looking at become their hobby. You need to know that reading is very important in addition to book as to be the point. Book is important thing to provide you knowledge, except your current teacher or lecturer. You see good news or update with regards to

something by book. Many kinds of books that can you take to be your object. One of them is this Acupuncture for Dogs and Cats: A Pocket Atlas.
