##### **Sandra Yunker:**

As a student exactly feel bored to be able to reading. If their teacher requested them to go to the library or to make summary for some guide, they are complained. Just minor students that has reading's spirit or real their interest. They just do what the professor want, like asked to the library. They go to generally there but nothing reading critically. Any students feel that looking at is not important, boring and also can't see colorful photographs on there. Yeah, it is being complicated. Book is very important for yourself. As we

know that on this era, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore this California trial objections can make you feel more interested to read.
