#### About the Author

Olivia lives in Raleigh, North Carolina with her husband and two beautiful children. Balancing two rambunctious rug rats and a very large man-child with her writing is often difficult, but she somehow manages. ("Mommy time" is a common and sometimes dreaded phrase in her house.) She likes to keep her books romantic, steamy, and filled with fun characters that get into all kinds of trouble. (Most of the time based on similar trouble she's already gotten into.)
