OSCEs at a Glance By Adrian Blundell, Richard Harrison

The *at a Glance* series is popular among medical students and junior doctors for its concise and simple approach and excellent illustrations.

Each bite-sized chapter is covered in a double-page spread with colour summary diagrams on the left page and explanatory text on the right. Covering a wide range of topics, books in the *at a Glance* series are ideal as introductory subject texts or for revision purposes, and are useful throughout medical school and beyond.

Everything you need to know about OSCEs...*at a Glance!*

Following the familiar, easy-to-use *at a Glance* format, and in full-colour, *OSCEs at a Glance* is an accessible introduction and revision text for medical students. Reflecting changes to the content and assessment methods used by medical schools, this *at a Glance* provides a user-friendly overview of Objective Structured Clinical Examinations (OSCEs) to encapsulate all that the student needs to know.

OSCEs at a Glance:

- Comprehensively covers OSCE stations across all medical specialties in 295 consecutive stations
- Contains full-colour artwork throughout, making the subject easy to understand
- Presents schematic diagrams on the left page and concise explanations on the right
- Sets out the information and provides typical questions as asked during the assessment
- Teaches a safe, efficient, and brief approach which can be used in the exam
- Is ideal for quick reference on the wards and near the actual exam
- Covers common clinical cases that appear in exams time and again

This book is an invaluable resource for all medical students preparing for any OSCEs and clinical examinations.

About the Author

Adrian Blundell is currently a Specialist Registrar in Health Care of the Older Person and General Internal Medicine at Nottingham University Hospitals NHS Trust. He has a keen interest in medical education, having recently spent 2 years as a clinical teaching fellow during which time, he obtained a Masters in Clinical Education. He has taught medical students and junior doctors at all levels in both the UK and Australia and was previously a Tutor at the University of Sydney. He has been involved in both the organisation and assessment of medical student OSCE examinations.

Richard Harrison is a General Practitioner in Windsor, having previously trained in Surgery and obtained a Doctorate in Plastic Surgery. He undertook his General Practice training through the Oxford Deanery. He has taught in Nottingham and at Oxford University. He is a Member of the Royal College of Surgeons and the Royal College of General Practitioners.

Users Review

From reader reviews:

Hubert Drummond:

Book is actually written, printed, or highlighted for everything. You can know everything you want by a guide. Book has a different type. As we know that book is important point to bring us around the world. Alongside that you can your reading skill was fluently. A reserve OSCEs at a Glance will make you to always be smarter. You can feel a lot more confidence if you can know about anything. But some of you think that will open or reading a book make you bored. It is far from make you fun. Why they could be thought like that? Have you seeking best book or appropriate book with you?

Dorothy Stanek:

What do you ponder on book? It is just for students as they are still students or this for all people in the world, what best subject for that? Simply you can be answered for that concern above. Every person has distinct personality and hobby for every single other. Don't to be forced someone or something that they don't want do that. You must know how great as well as important the book OSCEs at a Glance. All type of book could you see on many options. You can look for the internet resources or other social media.

Warner Gomez:

Do you one of people who can't read satisfying if the sentence chained in the straightway, hold on guys this kind of aren't like that. This OSCEs at a Glance book is readable through you who hate the straight word style. You will find the information here are arrange for enjoyable reading experience without leaving actually decrease the knowledge that want to provide to you. The writer of OSCEs at a Glance content conveys thinking easily to understand by lots of people. The printed and e-book are not different in the information but it just different such as it. So , do you nonetheless thinking OSCEs at a Glance is not loveable to be your top checklist reading book?

John Threadgill:

This OSCEs at a Glance are usually reliable for you who want to be considered a successful person, why. The reason why of this OSCEs at a Glance can be one of several great books you must have is definitely giving you more than just simple studying food but feed you with information that perhaps will shock your preceding knowledge. This book is usually handy, you can bring it almost everywhere and whenever your conditions in e-book and printed versions. Beside that this OSCEs at a Glance forcing you to have an enormous of experience for example rich vocabulary, giving you trial of critical thinking that could it useful in your day exercise. So , let's have it and revel in reading.
