THE ADVENTURES OF ROULETABILLE: FIRST TRILOGY. The Mystery of the Yellow Room, The Perfume of the Lady in Black, The Secret of the Night. BONUS: THE PHANTOM ... (Timeless Wisdom Collection Book 4290) By GASTON LEROUX

This volume contains the first three novels of the amazing saga "THE ADVENTURES OF ROULETABILLE", by french writer Gaston Leroux, whose contribution to French detective fiction is considered a parallel to Sir Arthur Conan Doyle's in the United Kingdom and Edgar Allan Poe's in the United States. It also contains the extraordinary novel by this same author, and one of the best known novels in the world: THE PHANTOM OF THE OPERA.

The novels are:

The Mystery of the Yellow Room (Le mystère de la chambre jaune). This novel, in which Leroux introduces his famous character Joseph Rouletabille, is hailed as one of the first locked room crime novels. It has been named by some as the third best locked room mystery of all time, and one of the most original works of mystery fiction written.

The Perfume of the Lady in Black (Le parfum de la dame en noir), explains Rouletabille's origins. A great, old fashioned murder mystery.

The Secret of the Night (Rouletabille chez le Tsar). The Czar of Russia has hired the services of Rouletabille, who is now in Russia...

BONUS BOOK:

THE PHANTOM OF THE OPERA. The best known work from Leroux, is a riveting story that revolves around the young, Swedish Christine Daaé. Her father, a famous musician, dies, and she is raised in the Paris Opera House with his dying promise of a protective angel of music to guide her. After a time at the opera house, she begins hearing a voice, who eventually teaches her how to sing beautifully.. Very captivating and suspenseful, and emotion-invoking; readers

call it "surprisingly good".
