The Complete CPA Reference By Nick A. Dauber, Jae K. Shim, Joel G. Siegel

The newly updated fast-reference problem solver

The Complete CPA Desk Reference—the convenient, comprehensive reference professionals have relied on for nearly fifteen years—is now updated in a new Fifth Edition to give today's busy executives and accountants the helpful information they need in a quick-reference format. Packed with practical techniques and rules of thumb for solving day-to-day accounting issues, the new edition helps you quickly pinpoint what to look for, what to watch out for, what to do, and how to do it. In an easy-to-use Q & A format, it covers such useful topics as IFRS standards, internal control over financial reporting financial measures, ratios, and procedures.

- Includes complete coverage of the Risk Assessment Auditing Standards and Standards of the PCAOB
- Incorporates Accounting Standards Codification (ASC) throughout the book
- Adds new chapters on professional ethics and quality controls for CPA firms
- Features a new section on International Financial Reporting Standards (IFRS)

Packed with checklists, samples, and worked-out solutions to a variety of accounting problems, this reliable reference tool is a powerful companion for the complex, ever-changing world of accounting.

Users Review

From reader reviews:

Rosa Crowe:

Book is to be different per grade. Book for children until finally adult are different content. As you may know that book is very important normally. The book The Complete CPA Reference ended up being making you to know about other expertise and of course you can take more information. It is quite advantages for you. The e-book The Complete CPA Reference is not only giving you considerably more new information but also to get your friend when you really feel bored. You can spend your own spend time to read your publication. Try to make relationship together with the book The Complete CPA Reference. You never truly feel lose out for everything should you read some books.

Bernice Cofield:

The guide untitled The Complete CPA Reference is the book that recommended to you to see. You can see the quality of the book content that will be shown to you actually. The language that publisher use to explained their way of doing something is easily to understand. The copy writer was did a lot of research when write the book, and so the information that they share to you is absolutely accurate. You also might get the e-book of The Complete CPA Reference from the publisher to make you a lot more enjoy free time.

Stephen Porter:

A lot of people always spent their free time to vacation as well as go to the outside with them family members or their friend. Did you know? Many a lot of people spent these people free time just watching TV, or even playing video games all day long. If you would like try to find a new activity that is look different you can read any book. It is really fun for you. If you enjoy the book you read you can spent 24 hours a day to reading a e-book. The book The Complete CPA Reference it is quite good to read. There are a lot of people who recommended this book. These folks were enjoying reading this book. When you did not have enough space to bring this book you can buy typically the e-book. You can m0ore easily to read this book from the smart phone. The price is not too costly but this book possesses high quality.

Corey Watts:

As a university student exactly feel bored to reading. If their teacher expected them to go to the library or even make summary for some publication, they are complained. Just tiny students that has reading's internal or real their leisure activity. They just do what the educator want, like asked to the library. They go to at this time there but nothing reading significantly. Any students feel that looking at is not important, boring in addition to can't see colorful images on there. Yeah, it is to be complicated. Book is very important for

yourself. As we know that on this age, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. So , this The Complete CPA Reference can make you really feel more interested to read.
