

The Golden Yarn (Reckless)

By Cornelia Funke

The Golden Yarn (Reckless) By Cornelia Funke

Jacob Reckless continues to travel the portal in his father's abandoned study. His name has continued to be famous on the other side of the mirror, as a finder of enchanted items and buried secrets. His family and friends, from his brother, Will to the shape-shifting vixen, Fox, are on a collision course as the two worlds become connected. Who is driving these two worlds together and why is he always a step ahead?

This new force isn't limiting its influence to just Jacob's efforts – it has broadened the horizon within MirrorWorld. Jacob, Will and Fox travel east and into the Russian folklore, to the land of the Baba Yaga, pursued by a new type of being that knows our world all too well.

Editorial Review

From School Library Journal

Gr 9 Up-The fantastical adventures of brothers Jacob and Will continue in this exciting installment in Funke's fairy tale-inspired series. Will's girlfriend Clara pricks her finger on a magical brooch, and when Will is unable to awaken her with a kiss, he goes through the mirror to enlist Jacob's help-but can't find him. Instead, Jacob's treasure-hunting rival, Nerron, kidnaps Will to get revenge on Jacob. Meanwhile, Jacob and the shape-shifting vixen Fox set off into the eastern part of the lands to rescue Will. The Dark Fairy is also fleeing from a false murder accusation. Mirrorlings, eerie humanlike figures made of glass and silver, hinder the brothers' search by attacking them and trying to smother them in silver. Jacob and Will come to understand that "and they lived happily ever after" is truly hard earned. All the characters grapple with heartbreak and betrayal and find that the Golden Yarn, the inseparable bond between lovers, does determine their destinies. Those who haven't read the previous books in the series may be confused by allusions to prior events, but those who have will be intrigued by this story set in a richly imagined world full of familiar fairy tale elements in a unique and compelling way. VERDICT An absorbing read for fans of the previous works in this series.-Sharon Rawlins, New Jersey State Library, Trentonα(c) Copyright 2011. Review

Dark fantasy, fairy-tale elements, a magic mirror portal into another realm, I am SO THERE with many, many bells on. – *Kirkus Reviews*

Five Shields; I loved it. Every twist and every turn felt not only real, but very well planned and executed. So this is the book that truly redeems this series for me, I mean the previous installment laid a lot of the groundwork, but this is where I really got invested in the world, the characters, and what's going to happen next. I can't wait to continue! – *Zack's YA Reviews*

4/5 stars. A lyrically written fantasy that tugs at the golden heartstrings. If you love high fantasy, or want to love high fantasy but have a hard time with heavy writing, pick up the story of Jacob Reckless, and I assure you, you won't be disappointed. –*The Underground*

The story draws you in from the very start...I have always been a fan of immediate action in a book. –*Turnabout Media*

I love how Funke's world is based on a combo of many different fairy tales. So many times in retellings we will get one or maybe two but never have so many been put into one story! And it's just amazing what Funke has done! She does so well with all of the characters in her stories that even through there are many you don't get lost and you know everything that is going on. – *Night Owl Reviews*

4.5/5 stars. It is such a nice, wonderful and enchanting reading experience. – *Bookfrog*

4/5 stars. There's a depth and darkness to Funke's creation that makes it one of the best I've ever seen. To often fantasy settings feel static and changeless, but Funke's feels vibrant and alive. – *The Illustrated Page*

The Golden Yarn combines "once upon a time" excitement with endless possibilities and breathless hopes for a few "happily ever afters." – *Foreward Reviews*

About the Author

Cornelia Funke is a storyteller and illustrator. Her stories have traversed the world told and retold in the most common as well as the rarest of languages.

Users Review

From reader reviews:

John Alfaro:

Reading a e-book tends to be new life style with this era globalization. With reading through you can get a lot of information that could give you benefit in your life. With book everyone in this world could share their idea. Ebooks can also inspire a lot of people. Many author can inspire their reader with their story as well as their experience. Not only the story that share in the textbooks. But also they write about the knowledge about something that you need example. How to get the good score toefl, or how to teach children, there are many kinds of book that you can get now. The authors on earth always try to improve their expertise in writing, they also doing some exploration before they write on their book. One of them is this The Golden Yarn (Reckless).

Cynthia Hughes:

People live in this new moment of lifestyle always attempt to and must have the time or they will get wide range of stress from both day to day life and work. So , if we ask do people have time, we will say absolutely of course. People is human not really a huge robot. Then we consult again, what kind of activity are there when the spare time coming to an individual of course your answer will unlimited right. Then do you ever try this one, reading textbooks. It can be your alternative throughout spending your spare time, often the book you have read will be The Golden Yarn (Reckless).

Dana Gallo:

In this era which is the greater particular person or who has ability in doing something more are more special than other. Do you want to become certainly one of it? It is just simple method to have that. What you should do is just spending your time almost no but quite enough to have a look at some books. On the list of books in the top collection in your reading list is The Golden Yarn (Reckless). This book which is qualified as The Hungry Mountains can get you closer in turning out to be precious person. By looking right up and review this book you can get many advantages.

Gregory Morrow:

Do you like reading a guide? Confuse to looking for your chosen book? Or your book ended up being rare? Why so many problem for the book? But any people feel that they enjoy to get reading. Some people likes examining, not only science book but also novel and The Golden Yarn (Reckless) or others sources were

given know-how for you. After you know how the fantastic a book, you feel would like to read more and more. Science publication was created for teacher as well as students especially. Those textbooks are helping them to include their knowledge. In other case, beside science reserve, any other book likes The Golden Yarn (Reckless) to make your spare time a lot more colorful. Many types of book like this one.
