The Thousandfold Thought: The Prince of Nothing, Book Three (The Prince of Nothing) (The Prince of Nothing Series 3) By R. Scott Bakker

The third book in the Prince of Nothing Trilogy

All opposition to the man once derided as the Prince of Nothing has vanished or been vanquished. Their leaders slain, the heathen Fanim have fled in disarray. One final march will bring the Holy War to the fabled city of Shimeh. But so very much has changed. Anasurimbor Kellhus, the Warrior-Prophet, now leads the Men of the Tusk. The cuckolded sorcerer Achamian serves as his tutor, betraying his school to keep safe the man he believes can prevent the Second Apocalypse. The Scylvendi barbarian, Cnaiur, succumbs finally to madness. The Consult, sensing the endgame of millennia of planning, work frantically to prepare for the coming of the No-God. The final reckoning is at hand. Faceless assassins will strike in the dead of night. Kings and Emperors will fall. The sorcerous Schools will be unleashed. And Anasurimbor Kellhus will at last confront his father and the dread revelation of the Thousandfold Thought.

Editorial Review

From Publishers Weekly

In the shattering climax to Canadian author Bakker's magnificent fantasy saga (after 2005's *The Warrior-Prophet*), the Holy War army has finally reached the gates of the holy city of Shimeh. The warrior-prophet, Anasûrimbor Kellhus, learns that the Thousandfold Thought, a great "transition rule" that promises to transform the two warring faiths of Inrithism and Fanimry, offers the only way to bring peace to the world of Eärwa and avoid a Second Apocalypse. Amid all the bloodshed and battle, Kellhus continues to respect his friend, the sorcerer Drusas Achamian, despite the conflict that arises when Kellhus takes "the whore Esmenet," hitherto Achamian's woman, as his consort. Esmenet's wavering love between the two men lends poignancy and personal depth to an epic story notable for its lack of melodrama. A large and varied supporting cast of heroes and scoundrels add further emotional realism. The Prince of Nothing trilogy is a work of unforgettable power. (Jan.)

Review

In the shattering climax to Canadian author Bakker's magnificent fantasy saga (after 2005's *The Warrior-Prophet*), the Holy War army has finally reached the gates of the holy city of Shimeh. The warrior-prophet, Anasûrimbor Kellhus, learns that the Thousandfold Thought, a great "transition rule" that promises to transform the two warring faiths of Inrithism and Fanimry, offers the only way to bring peace to the world of Earwa and avoid a Second Apocalypse. Amid all the bloodshed and battle, Kellhus continues to respect his friend, the sorcerer Drusas Achamian, despite the conflict that arises when Kellhus takes "the whore Esmenet," hitherto Achamian's woman, as his consort. Esmenet's wavering love between the two men lends poignancy and personal depth to an epic story notable for its lack of melodrama. A large and varied supporting cast of heroes and scoundrels add further emotional realism. The Prince of Nothing trilogy is a work of unforgettable power. PUBLISHERS WEEKLY The Thousandfold Thought concludes with a tour-de-force set piece in which Bakker cuts back and forth between the battle for Shimeh - which must count as among the greatest descriptions of sorcery in war ever recorded - and each of his main characters as Readers will be grateful for the Encyclopedic Glossary, a nearly 100-page-long treasure trove of essential information about everyone and everything in The Prince of Nothing. An absorbing read in its own right, it's an indispensable reference guide for vo REALMS OF FANTASY 'Few fantasies come more apocalyptic than R Scott Bakker's Prince of Nothing sequence' THE GUARDIAN; '[R. Scott Bakker is a] class act like George R. R. Martin, or his fellow Canadians Steven Erikson and Guy Gavriel Kay...very impressive.'

From the Publisher

Will Kellhus be able to rise to claim his role within the ascendancy, or will he be overtaken by his enemies--both within and without? Will he reach the ancient city of Shimeh and reunite with his father? Upon the apocalypse, will there be survivors left to write the history of the Holy War?

The startling and far-reaching answers to these questions, left hanging at the conclusion of *The Warrior Prophet*, are brought into thrilling focus in *The Thousandfold Thought*, the conclusion to the Prince of Nothing series. Casting into question all the action that has taken place before, twisting readers' intuitions in unforeseen directions, remolding the fantasy genre to broaden the scope of intricacy and meaning, R. Scott Bakker has once again written a fantasy novel that defies all expectations and rewards the reader with an experience unlike any to be had in the canon of fantasy literature.
