THREE MORE NOVELS. Concerning Himself *** Left In Charge ***** Three Summers (Timeless Wisdom Collection Book 3695) By VICTOR L. WHITECHURCH**

Victor Whitechurch, the clergyman turned mystery writer, has taken us by surprise, becoming an immediate bestseller among the classics. Our first "THREE NOVELS" is selling like warm blankets in a cold winter!

So, we worked hard finding more of the extremely hard to find Whitechurch novels (THEY ARE HARD TO FIND!!!), and see what it was all about.

Now we understand. THE NOVELS ARE FANTASTIC. Funny, witty, but at the same time deep and interesting. His analysis of religion, the Church, and the relations between Catholics and Protestants (which can still be translated into modern times) are extremely knowledgeable. When you combine that with romance, adventure, mystery and characters easy to fall in love with, then you have bestsellers!

This is our third collection-volume, with another three of his most popular novels, the first two with clergy characters who question and analyze the real meaning of the church and christianity...
