Towards Beginnings: Images of End (The Journal of Archetypal Studies) By Roxanne Partridge

Vol. 2 of The Journal of Archetypal Studies kindles the spirit of Breaking Plates (vol.1) in asking why thinking on beginnings and endings is crucially important today. The essays here may move us to rethink both how we choose to interact with this topic, and how our behavior in our current local and global environments will indelibly give way to new (as of now, unforeseeable) beginnings.
