Editorial Review

Review

MaryLu Tyndall pulls out all the stops in this sweeping conclusion to her epic series! Plenty of adventures and danger lurk within the pages but as the colonists battle the elements and struggle to build and rebuild their community, it appears that something more sinister and unseen may be at work. Tyndall's depth of character development, her multi-faceted plot, and her flair for romantic tension kept me breathlessly turning pages while the underlying spiritual message was thought-provoking. This book--and the whole series--would make an incredible movie.

(Linda Attaway *Mocha with Linda* 2014-07-10)

From the Back Cover

Something sinister lurks in the lush Brazilian jungle. . . .

It is 1866 and the fledgling Confederate colony of New Hope is Angeline Moore's last chance at a normal life. Running from the law, she longs to make a fresh start in this new Southern Utopia. But a series of strange disasters threaten to destroy everything the colonists have worked for, and strange visions threaten to reveal a past Angeline is desperate to hide.

James Callaway failed at both doctoring and preaching, but he hopes that his move to Brazil will give him another chance to become the spiritual leader he so desires. He longs to create a world free from the immorality that plagued every street corner back home and ruined his life. And he believes Angeline is just the sort of refined woman he needs to keep him on the right track.

But something is amiss in New Hope: haunting visions, the discovery of crypts beneath an ancient temple, and an archaic Hebrew book, set the colonists' fears on edge. When one of their own is murdered, a series of disasters leads them to believe God has brought them to Brazil to defeat an evil that, if unleashed, could wreak havoc on the entire world.

About the Author

MaryLu Tyndall, a Christy Award finalist and bestselling author of the Legacy of the King's Pirates series, is known for her adventurous historical romances filled with deep spiritual themes. *She holds a degree in math and worked as a software engineer for fifteen years before testing the waters as a writer.* MaryLu currently writes full time and makes her home on the California coast with her husband, six kids, and four cats. Her passion is to write page-turning, romantic adventures that not only entertain but open people's eyes to their God-given potential. MaryLu is a member of American Christian Fiction Writers and Romance Writers of America.

Users Review
