

Collected Papers of Srinivasa Ramanujan (AMS Chelsea Publishing)

By Srinivasa Ramanujan Aiyangar, G. H. Hardy, P. V. Seshu Aiyar, B. M. Wilson

Collected Papers of Srinivasa Ramanujan (AMS Chelsea Publishing) By Srinivasa Ramanujan Aiyangar, G. H. Hardy, P. V. Seshu Aiyar, B. M. Wilson

The influence of Ramanujan on number theory is without parallel in mathematics. His papers, problems and letters have spawned a remarkable number of later results by many different mathematicians. Here, his 37 published papers, most of his first two and last letters to Hardy, the famous 58 problems submitted to the Journal of the Indian Mathematical Society, and the commentary of the original editors (Hardy, Seshu Aiyar and Wilson) are reprinted again, after having been unavailable for some time. In this, the third printing of Ramanujan's collected papers, Bruce Berndt provides an annotated guide to Ramanujan's work and to the mathematics it inspired over the last three-quarters of a century. The historical development of ideas is traced in the commentary and by citations to the copious references. The editor has done the mathematical world a tremendous service that few others would be qualified to do.

Editorial Review

Review

"[The book] is introduced by a pair of notes which are sources of wonderful information about Ramanujan in their own right, both as regards his life and his mathematics. After that it is all about his mathematics: thirty-seven articles on number theory, infinite series, integrals, and combinatorics. It is all stunning, both by virtue of the content of these articles and because of the idiosyncrasy of their author."

Michael Berg, MAA Reviews

Users Review

From reader reviews:

Jennifer Perez:

As people who live in the particular modest era should be update about what going on or info even knowledge to make all of them keep up with the era which is always change and advance. Some of you maybe will update themselves by studying books. It is a good choice for you but the problems coming to a person is you don't know which one you should start with. This Collected Papers of Srinivasa Ramanujan (AMS Chelsea Publishing) is our recommendation to help you keep up with the world. Why, since this book serves what you want and need in this era.

Shad Broussard:

The feeling that you get from Collected Papers of Srinivasa Ramanujan (AMS Chelsea Publishing) is the more deep you digging the information that hide inside the words the more you get enthusiastic about reading it. It doesn't mean that this book is hard to know but Collected Papers of Srinivasa Ramanujan (AMS Chelsea Publishing) giving you excitement feeling of reading. The article author conveys their point in certain way that can be understood by anyone who read the item because the author of this book is well-known enough. This specific book also makes your current vocabulary increase well. So it is easy to understand then can go along, both in printed or e-book style are available. We suggest you for having this specific Collected Papers of Srinivasa Ramanujan (AMS Chelsea Publishing) instantly.

Sherrill Height:

Do you like reading a book? Confuse to looking for your selected book? Or your book was rare? Why so many problem for the book? But any kind of people feel that they enjoy to get reading. Some people likes examining, not only science book and also novel and Collected Papers of Srinivasa Ramanujan (AMS Chelsea Publishing) or maybe others sources were given know-how for you. After you know how the truly amazing a book, you feel wish to read more and more. Science guide was created for teacher or even students especially. Those guides are helping them to include their knowledge. In additional case, beside science book, any other book likes Collected Papers of Srinivasa Ramanujan (AMS Chelsea Publishing) to make your spare time more colorful. Many types of book like here.

Derick Heinz:

Reading a publication make you to get more knowledge as a result. You can take knowledge and information from your book. Book is created or printed or descriptive from each source this filled update of news. In this particular modern era like today, many ways to get information are available for anyone. From media social just like newspaper, magazines, science book, encyclopedia, reference book, new and comic. You can add your understanding by that book. Isn't it time to spend your spare time to open your book? Or just looking for the Collected Papers of Srinivasa Ramanujan (AMS Chelsea Publishing) when you desired it?
