“I loved this book and the characters in it.” —*Romance Junkies*

“Yes, this is my first book from Melynda Price, but she has totally captured my heart with these characters, and since I am reading in out of order, you can bet I will be picking up the others as well. There are a few characters from other books but nothing that would deter from the story. This can be read as a stand-alone, but my curiosity always gets the better of me and I want to know where it all began.” —*The Jeep Diva*, 4 Stars
