By Sawyer Bennett

Friction (Legal Affairs) By Sawyer Bennett

At the powerhouse law firm of Knight & Payne, winning comes first and ethics a distant second. Leary Michaels uses her female charms to daze opponents, and it's always worked well—until now. On her most personal case yet, she finds herself going up against a defense attorney just as skilled, shameless, and seductive as she is.

Reeve Holloway has never met a woman as sure of her own sexuality, or as ruthless in wielding it, as Leary is. But he won't be toyed with. What Leary starts, he'll finish—in the courtroom, the bedroom, or any-damn-place he wants. The sex is uninhibited, electrifying, and absolutely against the rules. Reeve's job is to ruin Leary's case...even if it destroys her in the process and costs him the woman he's come to love.
