Editorial Review

Review

"With goofy, wide-eyed, stick-legged, plump-middled figures and just the sort of lunacy that could have sprung from an impish young imagination, this picture book makes for a cheerful, lightly subversive kids' point-of-view rejoinder to the lesson of owning up for your actions." --Booklist

"Latimer has created offbeat digitally colored drawings brimming with quirky, diverse perspectives and hilarious details." --School Library Journal

"Hip and trendy but with a timeless theme, this is one enjoyable read." --Kirkus Reviews
