#### Hoyt Adkins:

As a student exactly feel bored for you to reading. If their teacher requested them to go to the library or to make summary for some e-book, they are complained. Just little students that has reading's internal or real their interest. They just do what the professor want, like asked to go to the library. They go to there but nothing reading really. Any students feel that reading is not important, boring as well as can't see colorful photos on there. Yeah, it is to be complicated. Book is very important for yourself. As we know that on this age, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore , this The Name of the Star by Maureen Johnson (Oct 2 2012) can make you experience more interested to read.
