**Act Like a Lady, Think Like a Man, Expanded Edition: What Men Really Think About Love, Relationships, Intimacy, and Commitment** By Steve Harvey

An International Bestseller—Over 3 Million Copies Sold!

With translations in more than thirty languages, *Act Like a Lady, Think Like a Man* is the definitive relationship guide for women.

Steve Harvey can't count the number of impressive women he's met over the years—the many incredible women who can run a business, have three kids, maintain a household in tiptop shape, and chair a church group all at the same time. So, when it comes to relationships, why can't these same women figure out what makes men commit? According to Steve, it's because they're asking other women for advice when they should be going directly to the source. In this expanded edition, Steve includes an added section of all new advice, with tips on dealing with your partner's exes, spicing up your relationship, ensuring you're ready for that walk down the aisle, and much more.

Sometimes funny, often unflinchingly direct, but always truthful, *Act Like a Lady, Think Like a Man* is a book you must read if you want to understand how men think when it comes to relationships, intimacy, and love.

### Editorial Review

From Publishers Weekly

As a popular comedian, radio host and red-blooded male, Harvey doesn't have the bona fides typical to most women's relationship self-help, but he still manages a thorough, witty guide to the modern man. Harvey undertakes the task because "Women are clueless about men," because "Men get away with a whole lot of stuff" and because he has "some valuable information to change all of that." Harvey makes a game effort, taking a bold but familiar men-are-dogs approach: if you're "cutting back" on sex, "he will have another woman lined up and waiting to give him what he needs and wants--the cookie." Several chapters later, however, he introduces the "ninety-day rule," asserting that, actually, he won't always have another woman lined up--and the only way to make sure is a three-month vetting period. Harvey also tackles mama's boys, "independent--and lonely--women," and the matter of children in the dating world ("If he's meeting the kids after you decide he's the one, it's too late"). Feminists and the easily offended probably won't take to Harvey's blanket statements and blunt advice, but Harvey's fans and those in need of tough (but ticklish) love advice should check it out (especially the hysterical last-chapter Q&A).

### Review

"Harvey's must-have guide to unlocking the male mind, understanding his game, anticipating his moves and countering with unstoppable offense and defense." (Los Angeles Sentinel)

"Women should listen to Steve Harvey when it comes to what a good man is about. Steve Harvey dispenses a lot of fabulous information about men. It's more than the average man will usually tell you. Steve Harvey will give it up." (Aretha Franklin)

"A thorough, witty guide to the modern man....those in need of tough (but ticklish) love advice should check it out (especially the hysterical last-chapter Q&A)." (Publishers Weekly)

"Filled with practical principles, rules and tips, and illustrated with humorous and warm-hearted anecdotes from Harvey's life and friendships, ACT LIKE A LADY, THINK LIKE A MAN gives readers the real deal about the differences between the sexes and how to bridge them for a mutually rewarding partnership." (New York Beacon)

"Harvey offers surprising insights into the male mentality and gives women strategies for taming that unruly beast." (The Philadelphia Inquirer)

### From the Back Cover

Steve Harvey, the host of the nationally syndicated *Steve Harvey Morning Show*, can't count the number of impressive women he's met over the years, whether it's through the "Strawberry Letters" segment of his program or while on tour for his comedy shows. Yet when it comes to relationships, they can't figure out what makes men tick. Why? According to Steve it's because they're asking other women for advice when no one but another man can tell them how to find and keep a man. In *Act Like a Lady, Think Like a Man*, Steve lets women inside the mindset of a man and sheds light on concepts and questions such as:

- The Ninety Day Rule: Ford requires it of its employees. Should you require it of your man?

- The five questions every woman should ask a man to determine how serious he is.
- And much more . . .

Sometimes funny, sometimes direct, but always truthful, *Act Like a Lady, Think Like a Man* is a book you must read if you want to understand how men think when it comes to relationships.
