By Buck Brannaman

### Faraway Horses: The Adventures and Wisdom of One of America's Most Renowned Horsemen By Buck Brannaman

"I've started horses since I was 12 years old and have been bit, kicked, bucked off and run over. I've tried every physical means to contain my horse in an effort to keep from getting myself killed. I started to realize that things would come much easier for me once I learned why a horse does what he does. This method works well for me because of the kinship that develops between horse and rider. " -- Buck Brannaman

In *THE FARAWAY HORSES*, Brannaman shares his methods for training and provides a behind-the-scenes glimpse of Robert Redford's movie *The Horse Whisperer*, for which he was the technical advisor.

\*Authoritative figure in horsemanship

\*Reveals the key to understanding animals

BUCK BRANNAMAN is a horse gentler--not a horse "breaker"--who has started more than 10,000 young horses in his clinics. He lives with his family in Sheridan, Wyoming.

WILLIAM REYNOLDS is the associate publisher of *Cowboys & Indians* magazine. He lives with his family in Santa Ynez, California.

### Editorial Review

#### Review

"Buck Brannaman is no ordinary horseman."--*Smithsonian* magazine

#### From the Back Cover

Nearly every week of the year, Buck Brannaman is on the road, conducting horsemanship clinics in which he teaches horse owners how to better understand and work with their animals, creating a relationship based on trust and respect rather than force. His methods are grounded in communicating with horses, on reading their body language and making them feel secure so horse and rider can achieve a true union. Buck's skill at starting young horses off right and reforming troubled horses has become legendary (indeed, the main character in the best-seller and movie *The Horse Whisperer* was based largely on him), and part of the reason is that he knows firsthand how a frightened horse feels. Growing up with an abusive father, Buck often feared he wouldn't live through the night. Rescued by a foster home, he found his calling - and salvation - in working with horses. In *The Faraway Horses*, Buck recounts his moving, inspiring, and often humorous adventures along the way. He writes of the horses he's learned from - including Bif, the dangerous outlaw who eventually became one of Buck's most trusted and useful mounts. He tells of the owners he's taught (from the good to the horrifying, such as the trainer who used abuse to make her show Arabians look "spirited"), and share stories of the horse-rider relationships he's changed. "These principles are really about life - about living your life so you're not at war with the horse, or with other people," Buck writes. At heart, this rich and rewarding autobiography is ultimately a prescription for living a positive and harmonious existence - whether it involves horses or not. (6 1/4 x 9 1/4, 272 pages, color photos, b&w photos)

#### About the Author

Buck Brannaman is a horse gentler -- not a horse "breaker" -- who has started more than 10,000 young horses in his clinics in the past eighteen years. He served as advisor on the set of Robert Redford's movie *The Horse Whisperer*. He is also a lifelong trick roper who performed around the world as a youngster. He and his wife, Mary, live with their three daughters on the family ranch in Sheridan, Wyoming.

William Reynolds is the associate producer of *Cowboys & Indians* magazine and is the author of *The Cowboy Hat Book*. He lives with his family in Santa Ynez, California.
