DISCOVER:: Herbal Remedies that Work: A Herbal Remedies Handbook of 200+ All-Natural Remedies for 55 Common Ailments Why are more and more people making the switch to herbal remedies? For many people, it really makes sense to look at herbal remedies as a different approach to such concerns as cold and toothaches, skin problems (psoriasis and eczema), gastrointestinal problems (food poisoning and upset stomach), and even common infant health concerns (colic, teething, and diaper rash). Numerous studies have shown that not only will herbal remedies improve your general health, but it can also extend your life span. They harness healing powers from nature, while at the same time, do not contain chemicals that are present in drugs bought from most stores. They're effective, cheap, and are less harmful to you than store bought options. Some of the Many Benefits of Herbal Remedies: Cost-Effective: Drugs made by large pharmaceutical companies are expensive since they are processed, advertised and marketed as commercial products. Herbal remedies are much cheaper to produce. Easy to Find: Since herbal home remedies require herbs, vegetables, fruits and spices, finding one that is right for any type of illness is easy. Milder: Unlike many counter syrups and medicines, herbal home remedies are unspoiled, fresh and of course, natural. More Effective: The beauty of herbal home remedies is that they can treat a wide variety of illnesses. Something as simple as ginger, garlic or honey can treat several types of minor illnesses. Fewer Side Effects: It's true that many over the counter medicines contain several ingredients that attack the intended ailments however they don't stop there. These medications effect your other functions and come with side effects. Since herbal home remedies only contain pure medicinal purposes, their side effects are greatly minimized. Editorial Review

About the Author

My name is Jessica Jacobs. For years, I have been looking for remedies that treat the most common illnesses which offer no side effects and promote wellness. I prefer using natural remedies that are effective yet safe to use for me and my family. I have discovered that using herbs and plants which are all-natural is the best way. Not only are they potent in curing ailments, they are also very economical and toxin-free. This book is a listing of herbal remedies that I have gathered over the years – most of it I got from research and herbal studies, and others are well-loved family traditions. All remedies in the book are tried and tested, and produce excellent results. Allow me to share with you potent herbal remedies that you can make at home.
