### Hold Me Now (A Totally '80s Romance) (Volume 3) By Addison Moore

December 1985 Senior year is really shaping up to be something. In an effort to turn my humdrum life around, I decide to take a walk on the wild side. By the time graduation hits, everyone will know who I am. Only, things don't exactly go as planned. They go horribly, terribly wrong right out of the starting gate. Not only have I embarrassed myself in front of Jessie Fox, the only boy I've ever had a crush on, but the entire basketball team now has an obscene nickname just for me. Sadly, I got my wish. Everybody knows who I am. Yeah, senior year is really shaping up to be something. Jennifer Barkly has caught my eye before, but I don't know why I didn't zero in on her sooner. As soon as she started tutoring my little sister, I knew I wanted to keep her in my life. Things have been a little chaotic on the girl front for the last few years. I've got chicks lining up for whatever I'm willing to give them, and, for the most part, it's been fun, but lately it's not feeling so great anymore. I want to slow it down, rein it in. Jennifer wants to go wild just as I'm looking to explore my mild side. I think maybe we should meet in the middle. I'll be her wild if she'll be my mild. It's a nice balance that could work for both of us. I'm sort of hoping it's Jennifer and I that will work in the end. My name is Tess Nichols. And my name is Rachel Torres. Jessie Fox belongs to us. Sure, he's gifted a hickey necklace to just about every girl on campus, but we're his tried-and-true, forever-by-his-side, and in-his-bed girls. And now this little skank Jennifer comes along and thinks she's going to break us up? Like, fer sure. We're so serious. Jennifer might think she's going to weasel her way into his bedroom, but we're not going down without a fight. We know a dirty little thing or two about Little Miss Innocent. And we also know a thing or two about making a wannabe "Jessie's Girl" disappear from our boyfriend's life forever. Jennifer isn't the first ho we've evicted from his harem, and she won't be the last. Yeah, my name is Tess Nichols. And my name is Rachel Torres. Jessie Fox belongs to us. Hold Me Now (A Totally '80s Romance 3) It's like totally awesome.
