Interview Guide for Project Managers: How to Ace the Interview and Get the Job! By Sandra Arps

How To Easily Get the Project Management Job You Want

Not all interviews are the same (and this book is no exception).

Those who interview for Project Management jobs are looking for very specific traits, characteristics and experience in the people they hire. I should know. I've hired numerous Project Managers for multiple companies, internationally. And now, I'm revealing everything you need to know – from an insider's perspective – on what it takes to rise above your competition and get hired for the Project Management job you want.

Gain a Distinct Advantage Over Other Project Managers

While your competition applies generic interview techniques, The Interview Guide for Project Managers will give you the upper hand when interviewing for your next job. Why? Primarily because it exposes ...

The Top 33 Project Management Interview Questions and Answers

Yes, these questions are important. But it's how you answer them (specifically for a Project Management position) that will make or break your interview. That's where this book separates itself from other books on how to interview. Because it doesn't just give you polished, appealing answers.

It goes a step further... it shows you how to respond within a specific **“interview**

answer framework” that makes you credible, interesting, and highly suitable for the Project Management job you seek. All 33 questions are answered in this fashion to make it as easy as possible for you to breeze through the interview, and secure your next Project Management job.

Here's What Else You'll Discover:

- Why asking questions is just as important as answering them. How to use your questions to your advantage, plus 2 types of questions you should never ask and why.
- How to become more memorable and admired in 30 seconds
- How to use the **“skills match matrix”** to position yourself as the perfect candidate
- The importance of the “interview answer framework”, how it works, and how to use it to develop credibility as the ideal candidate for the job
- The top 33 Project Management interview questions with answers using the interview answer framework for maximum impact (easily applied to your situation)
- The 16-point Project Management interview preparation checklist – reveals what to do before, during and after the interview
- How to respectfully negotiate your salary
- And much more

This compact book is full of tips and tricks on how to master your interview skills in the shortest possible time.

Ace your job interview with help from an “insider” who has been on the hiring side of the Project management interview.
