

Security: Dialogue across Disciplines

From Cambridge University Press

Security: Dialogue across Disciplines From Cambridge University Press

Security is a vital subject of study in the twenty-first century and a central theme in many social science disciplines. This volume provides a comparative analysis of the ways in which the concept of security is theorized and studied across different disciplines. The book has two objectives: first, to explore the growing diversity of theories, paradigms, and methods developed to study security; and, second, to initiate a multidisciplinary dialogue about the ontological, epistemological, paradigmatic, and normative aspects of security studies in social sciences. Readers across nine fields are invited to reflect on their conceptualizations of security and to consider how an interdisciplinary dialogue can stimulate and enrich the understanding of security in our contemporary world. Analytically sharp yet easy to read, this is a cutting-edge volume exploring what security is and what it means in today's world.

Editorial Review

Users Review

From reader reviews:

Charles Duda:

Have you spare time for just a day? What do you do when you have considerably more or little spare time? Sure, you can choose the suitable activity with regard to spend your time. Any person spent their particular spare time to take a move, shopping, or went to the actual Mall. How about open or maybe read a book entitled Security: Dialogue across Disciplines? Maybe it is being best activity for you. You understand beside you can spend your time together with your favorite's book, you can smarter than before. Do you agree with its opinion or you have different opinion?

Andrew Wilson:

What do you consider book? It is just for students because they are still students or the item for all people in the world, the actual best subject for that? Just you can be answered for that issue above. Every person has various personality and hobby for each other. Don't to be pushed someone or something that they don't need do that. You must know how great in addition to important the book Security: Dialogue across Disciplines. All type of book can you see on many sources. You can look for the internet sources or other social media.

Francis Pilkington:

Playing with family in a very park, coming to see the ocean world or hanging out with friends is thing that usually you could have done when you have spare time, and then why you don't try issue that really opposite from that. One activity that make you not sense tired but still relaxing, trilling like on roller coaster you already been ride on and with addition info. Even you love Security: Dialogue across Disciplines, you may enjoy both. It is great combination right, you still want to miss it? What kind of hangout type is it? Oh come on its mind hangout men. What? Still don't obtain it, oh come on its identified as reading friends.

Samuel Brown:

Are you kind of occupied person, only have 10 or 15 minute in your day to upgrading your mind ability or thinking skill actually analytical thinking? Then you have problem with the book than can satisfy your short time to read it because pretty much everything time you only find publication that need more time to be go through. Security: Dialogue across Disciplines can be your answer as it can be read by you who have those short extra time problems.
