### The Holiness of God By R. C. Sproul

Central to God's character is the quality of holiness. Yet, even so, most people are hard-pressed to define what God's holiness precisely is. Many preachers today avoid the topic altogether because people today don't quite know what to do with words like "awe" or "fear." R. C. Sproul, in this classic work, puts the holiness of God in its proper and central place in the Christian life. He paints an awe-inspiring vision of God that encourages Christian to become holy just as God is holy. Once you encounter the holiness of God, your life will never be the same.

### Editorial Review

#### Review

Every Christian who is serious about his or her growth needs to read *The Holiness of God*. I profited greatly from this book. (Jerry Bridges, author of *The Pursuit of Holiness*)

When I first heard R. C. Sproul's teaching on the holiness of God, it brought me face-to-face with the awful splendor of God's majestic holiness in a new and fresh way. I was smitten with the realization that holiness is not merely a peripheral attribute of God; it is at the core of all He is and does. I realized then that this was precisely the message the church of our generation urgently needed—and still needs today. Nearly a decade after I first heard this series, the message still challenges my thinking and rekindles my heart. (John MacArthur, pastor of Grace Community Church in Sun Valley, California)
