

The Wealth of Nations

By Adam Smith

The Wealth of Nations By Adam Smith

The Wealth of Nations was published 9 March 1776, during the Scottish Enlightenment and the Scottish Agricultural Revolution. It influenced a number of authors and economists, as well as governments and organizations. For example, Alexander Hamilton was influenced in part by The Wealth of Nations to write his Report on Manufactures, in which he argued against many of Smith's policies. Interestingly, Hamilton based much of this report on the ideas of Jean-Baptiste Colbert, and it was, in part, Colbert's ideas that Smith responded to with The Wealth of Nations. Many other authors were influenced by the book and used it as a starting point in their own work, including Jean-Baptiste Say, David Ricardo, Thomas Malthus and, later, Ludwig von Mises. The Russian national poet Aleksandr Pushkin refers to The Wealth of Nations in his 1833 verse-novel Eugene Onegin.

Editorial Review

Users Review

From reader reviews:

Alice Wilkerson:

Inside other case, little people like to read book The Wealth of Nations. You can choose the best book if you'd prefer reading a book. Given that we know about how is important any book The Wealth of Nations. You can add knowledge and of course you can around the world by way of a book. Absolutely right, simply because from book you can recognize everything! From your country until foreign or abroad you will end up known. About simple thing until wonderful thing it is possible to know that. In this era, we could open a book or searching by internet product. It is called e-book. You can use it when you feel weary to go to the library. Let's go through.

Jeanie Hynes:

The book untitled The Wealth of Nations is the guide that recommended to you to see. You can see the quality of the guide content that will be shown to a person. The language that creator use to explained their ideas are easily to understand. The article author was did a lot of exploration when write the book, and so the information that they share to you personally is absolutely accurate. You also could possibly get the e-book of The Wealth of Nations from the publisher to make you more enjoy free time.

Carmen Hamm:

Reading can called imagination hangout, why? Because if you are reading a book mainly book entitled The Wealth of Nations your head will drift away trough every dimension, wandering in every single aspect that maybe unidentified for but surely will become your mind friends. Imaging every single word written in a reserve then become one web form conclusion and explanation that will maybe you never get ahead of. The The Wealth of Nations giving you yet another experience more than blown away your head but also giving you useful information for your better life in this particular era. So now let us demonstrate the relaxing pattern this is your body and mind is going to be pleased when you are finished reading through it, like winning a sport. Do you want to try this extraordinary spending spare time activity?

Michael Clark:

As a student exactly feel bored to help reading. If their teacher requested them to go to the library in order to make summary for some e-book, they are complained. Just tiny students that has reading's soul or real their passion. They just do what the professor want, like asked to go to the library. They go to right now there but nothing reading critically. Any students feel that examining is not important, boring along with can't see colorful photos on there. Yeah, it is being complicated. Book is very important for yourself. As we know that

on this time, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. So , this The Wealth of Nations can make you experience more interested to read.
