Editorial Review

Review

"The text material is very well written; it is complete and comprehensive. Also, I believe this is a textbook that a student will keep and use as a reference guide once working as paralegal. The organization of the text material is such that as an instructor, I can begin with chapter one and teach each subsequent chapter in sequence until I reach the end. It is a very good text."

"The writing style is one of the reasons I chose this textbook. I consider it well-written and relatively easy to understand. The legal terms and concepts are defined and explained early to set a foundation for better understanding in later chapters."

About the Author

Currently a practicing lawyer, Dennis R. Hower is formerly a professor for the University of Minnesota. In 1983, the university presented him with the Horace T. Morse Amoco Foundation Award for outstanding contributions to undergraduate education.

Peter T. Kahn is a Professor Emeritus for the University of Minnesota where he taught introductory law and political science courses for thirty years. His teaching philosophy centers on promoting a positive atmosphere for students and generating enthusiasm for learning about the legal system.
