Getting Him Back (Ethan & Wyatt) By K.A. Mitchell

*An unexpected fresh start leads to an unlikely-but-absolutely-perfect pairing in this male/male new-adult novel from bestselling gay romance author K.A. Mitchell*

Ethan may have followed his high school sweetheart to college only to get dumped his first day there, but he's not going to let that stop him from exploring all his new life has to offer. Sex-only hookups, his photography, new friends and a campus-wide game of zombies vs humans all help keep his mind off his broken heart and move him toward building a new, better life without his ex. And then there's Wyatt. Mysterious, grouchy—hot. And possibly not gay. But Ethan's not going to let that stand in the way of figuring out what makes Wyatt tick. New college goal? Get Wyatt into bed and into Ethan's life. Step one: arrange a "tutoring" date. Step two: "accidentally" bump into Wyatt as often as possible. Step three: explore the sexy body under that ever-present hoodie. And when their friendship deepens into something neither of them expect, convince Wyatt he's not just a pity fling or a one-time hookup, but that Ethan is in it for the long haul. This book is approximately 43,000 words

### Editorial Review

#### Review

"A fun story . . . Wyatt and Ethan have a good start to a solid relationship, and the passion between them is pretty hot." --*Gay Book Reviews* (4½ stars)

"There is quite a bit of sex in the book. It is well written and entertaining in all ways. But there is also an extra . . . sweetness to the tone which fits with the youth of the characters . . . I liked both main characters and I wanted more of them." --DearAuthor.com

#### About the Author

**K. A. Mitchell** discovered the magic of writing at an early age when she learned that a carefully crayoned note of apology sent to the kitchen in a toy truck would earn her a reprieve from banishment to her room. Around the same time, she decided that Chip and Ken made a much cuter couple than Ken and Barbie and was perplexed when invitations to play Barbie dropped off. She never stopped making stuff up, though, and was surprised to find out that people would pay her to do it. Although the men in her stories usually carry more emotional baggage than even LAX can lose in a year, she guarantees they always find their sexy way to a happy ending. She is the author of more than twenty books in the romance genre.

**Cooper North** is an audiobook narrator known for his readings of books in the Power Play series by Lynda Aicher.

### Users Review

#### From reader reviews:

##### **Tyrone Smith:**

What do you regarding book? It is not important to you? Or just adding material when you require something to explain what the one you have problem? How about your spare time? Or are you busy particular person? If you don't have spare time to complete others business, it is make one feel bored faster. And you have extra time? What did you do? All people has many questions above. The doctor has to answer that question mainly because just their can do in which. It said that about reserve. Book is familiar in each person. Yes, it is proper. Because start from on jardín de infancia until university need this specific Getting Him Back (Ethan & Wyatt) to read.

##### **Allie Littlefield:**

Nowadays reading books be a little more than want or need but also turn into a life style. This reading practice give you lot of advantages. The huge benefits you got of course the knowledge the actual information inside the book which improve your knowledge and information. The info you get based on

what kind of reserve you read, if you want send more knowledge just go with education books but if you want sense happy read one along with theme for entertaining like comic or novel. The Getting Him Back (Ethan & Wyatt) is kind of guide which is giving the reader unpredictable experience.

### **Myra Hackett:**

Reading a publication can be one of a lot of action that everyone in the world really likes. Do you like reading book therefore. There are a lot of reasons why people like it. First reading a publication will give you a lot of new info. When you read a e-book you will get new information simply because book is one of numerous ways to share the information or their idea.
